PROPERTY DETAILS

It is the dream of most Bahamians to own their own home and statistically it is the largest investment you probably will ever make. Therefore this major investment must be done wisely. Land is becoming a scarce resource in New Providence and even more scarce are lots in a prime residential area, away from the hustle and bustle of downtown and commercial areas.Coral Breeze Estates is fifty acres of prime residential land under development, situated in Coral Harbour. Designed to ensure privacy and security, this gated estate is an ideal community for a family to live.There are three large parks and four parks or green spaces with wide roads and underground utilities which ensure a grand and spacious ambiance, geared towards gracious living. Coral Breeze Estates is an ideal purchase for parents, so as to secure a lot or two for their offspring, as it is obvious that when children return from countries and colleges abroad there will be no suitable lots for them to purchase for their new Bahamian dream home.
