### PROPERTY DETAILS

We have not had prices like that, for similar properties, since the 90's. Very close to the new campus of the College of the Bahamas and extremely convenient with the announcement of the completion of the new bridge that will connect directly the downtown with all of these "over the bridge" properties located East of Lucaya on the Grand Lucayan Waterways. Such an undertaking will save thousands of dollars yearly to residents of this area in fuel as well as car maintenance as the driving distance to downtown will be cut in half. Downtown is the hub for all business, banking, shopping, churches, clinics and hospital.
