PROPERTY DETAILS

Two properties side by side and each is priced reasonably @ 25k each for a quick sale. At this low price one can have both properties in order to build a beautiful house and have ample space for a beautiful garden. Just a few feet from Churchill road these properties might not have a paved road but there are power poles and lines already in the area because of a home that was built recently across the street. The area has only been developed with homes recently and mostly all construction there is brand new. Very convenient for those who are working either in Freeport or Lucaya area . Please call for additional information and directions to the property. Service charges for each property is plus vat per year.
