PROPERTY DETAILS

This is the time in Grand Bahama for completing an income producing project. Lot 2 Block 1. One of the very few multi family properties with all utilities in place, neighboring the two most prestigious communities of Grand Bahama, the Fortune Cay and Shoreline and a hop-skip-and a jump away from the beach; at this price it is the proverbial "investor's dream". 1.3 acres, one block from Fortune Beach, one of the best beaches in Grand Bahama. Neighbors to Fortune Cay and Shoreline developments. As it is zoned multi-family it could accommodate an investment project like a gated development of apartments, condos or individual dwellings. And of course this does not stop you from building your dream house with ocean views, once you build a second floor, and with ample room for pools, parking and entertainment grounds. This

is a rare opportunity in Grand Bahama as such properties are scarce within the Freeport/Lucaya area and with a yearly service of only \$190.00 per year. Call Mosko Realty today 242-351-6445 or from the US, Canada or Europe dial 305-433-7595. "We bring families and homes together"
