PROPERTY DETAILS

The Gibson Tract is a great opportunity to own a sea-to-sea parcel of land with 1,600 ft of water frontage including 400 ft on the Caribbean side and 5 acres of land west of the King's Highway. This will create the opportunity for two separate developments on each side of the highway. The land is high quality with great elevations over 40 ft and no low-lying areas, and the western side of the property overlooks the world-famous Windermere Island. The Savannah Sound area is poised for growth, making this acreage a great investment opportunity.
