PROPERTY DETAILS

This 139.41-acre property has road access, and it has already been subdivided into lots and surveyed. With 10,139.93 front feet, some are rocky, and some are white sandy beaches. It is located on the Atlantic side of Cat Island, which has two airports, both of which have new buildings, and the air strips are being elongated and paved, so it is an ideal time for a new development on the island. The water off Flamingo Point is a beautiful turquoise, with reefs ideal for snorkeling, and it is ready for an off-the-grid development. The zoning is commercial and residential.
