PROPERTY DETAILS

This exceptional home has an incredible view of the ocean. Set in the front circle of 10 homes in the beachfront community of Shoreline, this is a must-see. The lovely open has an open-concept kitchen opening to the dining and living room, and a large porch overlooking the ocean, with Nothing in the way to obstruct your view. This 3-bedroom, 4-bathroom, two-storey home also offers a full basement and a single-car garage, but it is long enough to accommodate two cars. The most intriguing feature is the basement-level elevator. The ground level or basement opens under the front porch to give you access to the beach. This space under the front deck or porch is ideal for storing all of your beach toys. The space on the ground level is large enough to add a fourth bedroom or use as a family recreation room with a large laundry room and spacious 4th bathroom. There are two bedrooms with a jack-and-jill full bathroom on the first floor. The master suite occupies the

entirety of the top floor. Offering amazing views and, of course, a private elevator and a large private bathroom
