PROPERTY DETAILS

Extraordinary and breathtaking views from these cliffside lots make them highly desirable and sought after. On the Caribbean' side of the island of Eleuthera, homeowners can relax and watch the local marine life, which includes turtles, rays, and tropical fish from the balconies and decks of their homes, or while snorkeling in the gorgeous, clear, calm water. Lot 17 is a full 10,000 sq ft and can be home to a main house plus a guest house. It is located in Woods Terrace, which is just to the south of Gregory Town with its local shops and cafes, or the Cove hotel for fine dining. Gregory Town is an area that attracts artists, musicians, surfers, and those who love an unspoilt island life! It is also known for growing the sweetest pineapples! Woods Terrace is a small, modest community mainly of local folk who fish for a living and

work in the local community. Not far away are the ferries to the islands of Harbour Island and Spanish Wells, very different but both wonderful for days out and exploring. To get to either island, one drives north over the world-famous Glass Window bridge
