PROPERTY DETAILS

This home sits on the top of the hill with expansive views of the different bodies of water on all sides of Little Harbour. Included is an additional lot and a deeded dock slip which are very sort-after in the Little Harbour area. There are four bedrooms, three and one half baths and very expansive decks on several levels. The home does have a vacation rental income so this can be continued if the new owner wishes to do so. All around a great value for the listed price. Pete's Pub and the bronze casting foundry are just down the road so you can drop in for some socializing with drinks and food as you may desire.
