Known locally as Old Whites Point, this 5 acre tract of shoreline is just across the water from the entrance to the Casuarina Point canal. With its tranquil, natural setting this property offers scenic views of Cherokee Sound, Point of Spit and the beautiful sand bars in the turquoise waters off of Casuarina Points famous beach. There is approximately 1,850 linear feet of shoreline with an average depth of 100 feet, providing more than enough space for multiple buildings. It will be the perfect off the grid getaway spot.
