PROPERTY DETAILS

Beach Villa 504 is located on the highest elevation of the Beach Villas community and boasts some very distinctive and attractive features. Its two patios have well crafted, comfortable, built-in benches around the perimeters and its kitchen has been completely remodeled with a side breakfast table which, with its extra leaves, doubles as a large dining table when family or guests are in town. The owners wisely maximized the space by creating a proper desk nook and separating the master bedroom with French doors so that the master bed occupies a separate space from a sitting area which can double as a guest bedroom. Essentially this two bedroom villa can become a three bedroom when friends or family are visiting. Its landscaping is lush and green with a thick privacy hedge and together with its large patio umbrellas those who prefer shade can enjoy outdoor living all day long! Villa comes fully furnished (including artwork) and also has a full size stackable washer and dryer.

Another bonus is the outdoor shower with privacy screen.
