PROPERTY DETAILS

Farrington Road apartment complex now available for sale. The property includes a two-storey concrete building with six 1-bedroom units (three up, three down), all with the same layout. Connected by a breezeway is a second two-storey concrete building with two additional 1-bedroom units. 8 units in total. The building sits on a 13,000 sq. ft. lot. Both buildings need cosmetic and some structural work, inside and out. The owner started the upgrades, but they still need to be completed. Solid spot with good upside for someone looking for an income property with room to add value.
