PROPERTY DETAILS

The Crown of the Estate • Unmatched Atlantic & Caribbean Viewpoint Property C rises to the highest point of the estate, offering breathtaking views that stretch across Eleuthera — Atlantic Ocean to the east, Caribbean Sea to the west. This 100' x 100' hilltop parcel is truly the crown

of the property, blessed with constant breezes, wide-open skies, and an elevated perspective that feels almost spiritual. Standing here, you see the island from its most dramatic angle: rolling greenery, the curve of the coastline, and the deep blues of the ocean on both sides. As part of the private estate, the surroundings will grow into a cohesive, beautifully maintained community — but this lot will always remain the one with the grandest view. Property C is for someone who wants something rare... a place where the entire island feels like part of your backyard.
