PROPERTY DETAILS

The Sea of Abaco is your front yard at Fisherman's Paradise, a waterfront retreat set within the peaceful community of Mount Hope, North Abaco. A private, well-protected canal and boat basin provides secure mooring and access to some of Abaco's most celebrated boating and fishing grounds. Uninhabited cays, the third-largest barrier reef in the world, and proximity to renowned south-side bonefishing flats define the surrounding marine environment. Fisherman's Paradise is a two-bedroom, one-bathroom home offering privacy and seclusion in a low-density waterfront setting. The residence is currently off the grid, with utility infrastructure running parallel to the property, giving a buyer the option to maintain an independent lifestyle or tie into public utilities. The location benefits from convenient road connections to both

international airports, while remaining quietly removed from busier areas of North Abaco.
