PROPERTY DETAILS

A rare offering on Stocking Island, Exuma. This three-acre sea-to-sea property features beautiful sandy beaches on both sides and sweeping water views that define island living. One shoreline fronts the calm, protected harbour while the opposite side opens to sparkling turquoise waters and refreshing sea breezes. Largely untouched, the land offers a true blank canvas with the freedom to create a private estate or develop a commercial vision such as a resort, boutique hotel, or island retreat. With natural elevation and direct beach access on both sides, the possibilities are as expansive as the setting itself. Stocking Island is one of the Exumas' most iconic islands, located just minutes from George Town. Known for its crystal clear waters, pristine beaches, and vibrant island culture, it blends easy accessibility with unspoiled

beauty, making it an exceptional location for both lifestyle and commercial opportunities.
