PROPERTY DETAILS

This property is ideally located in the medical and insurance districts of Nassau, Bahamas, specifically on 3rd Terrace East in the Centreville Subdivision. A rare opportunity to invest in a prime location with such properties being in scarce supply and in high demand. The apartments are comprised of two, (2) story buildings containing a total of 14 units on lots 3 and 4 of block 10. They are situate on lot 3, and lot 4 is vacant, which allows for expansion of additional units or commercial activity in the form of professional offices or a medical facility. The preference is to sell both lots as a package but may be sold individually. The complex is being sold "as is". All units are fully furnished. Each lot approximates 23,100 sq ft (1/2 an acre or 2,146 m²) or 46,200 sq ft (4,292 m²) combined or 1.1 acres of land.
