PROPERTY DETAILS

A rare opportunity to acquire 117 acres of elevated, unrestricted land on one of the Bahamas' most celebrated out-islands — with direct road access, sweeping ocean and harbour views, and proximity to the iconic Columbus Monument atop stunning white cliffs. Positioned at elevation, this parcel captures the full drama of Long Island's landscape: turquoise waters on both horizons, prevailing trade winds, and a sense of scale simply unavailable closer to Nassau. The land offers flexibility for private estates, resort concepts, subdivision, or long-term investment. Long Island is renowned for its dramatic terrain, world-class diving, fishing, and boating in pristine natural surroundings — all at an unhurried pace. It is increasingly on the radar of discerning buyers seeking an oasis of peace and privacy. Stella Maris Airport is nearby, with Cape Santa Maria Resort just minutes away. Additional acreage available. Contact for more details.
