PROPERTY DETAILS

A rare opportunity to own a true beachfront residence just steps from the historic Williamstown seaside village—one of the few locations on Grand Bahama where oceanfront living meets a walkable island lifestyle. This 2-bedroom, 3-bathroom residence offers direct beach access along with immediate proximity to local beachfront dining, bars, and authentic community atmosphere, all within minutes of Port Lucaya Marketplace. While Grand Bahama offers many beautiful beaches, few locations combine beachfront living with this level of accessibility and convenience, making Cannes Village uniquely positioned for both personal enjoyment and guest appeal. The property is fully furnished and turnkey, with a proven Airbnb Superhost history since 2017, offering consistent rental demand driven by its beachfront setting and walkable

location. Ideal for investors seeking a high-demand short-term rental or buyers looking for a beachfront retreat with real connection to the surrounding community.
