PROPERTY DETAILS

With almost 218 linear feet on the beautiful Bahamian ocean, on the side of the island known as the Caribbean, this lot of just over one acre is perched on a bluff, enjoying extraordinary views and cooling breezes, close to nature. For lovers of marine life and bird life, and especially the tranquility that comes from being away from the hustle and bustle, Little Bay is just perfect. A small subdivision with just a handful of homes, Little Bay is located in between the settlements of Governor's Harbor and Tarpum Bay, with the airport of Rock Sound not far to the south. About 2 miles away, there is a useful convenience store. Although Little Bay has a small beach for a quick morning dip, there are several in the close vicinity, with world-famous Ten Bay close by on the Caribbean side and gorgeous Double Bay on the other side. Of course, Eleuthera is renowned for its numerous stunning and varied beaches and attractions. Lot 4 Little Bay would make a wonderful family

homestead or vacation rental property and is priced to sell. It could also be severed in two and resold.
