Well-priced 2-bedroom unit on the resort side of The Reef. These 10th-floor units can be used together as a two-bedroom unit, or separately as a one-bedroom unit with a living room and kitchen on one side and a studio on the other. These not only afford you the most gorgeous views of Paradise Beach and Nassau Harbour, but they also provide you with a relaxing atmosphere in a home away from home. Newly updated designer furniture, concierge services, and beach views are just a few of the perks. This exclusive ownership experience is unlike any other in the Caribbean, where you can enjoy the benefits of luxury without ever worrying about the headaches of a second home. In a residence where every amenity is at your fingertips, don't forget to sit back, relax, and take it all in. Have one of Atlantis' chefs cook you

dinner in your suite, invite neighbors for a drink on your balcony, or splurge on a private spa treatment in your own condo. Owners can enjoy 90 days of residence per year, and the rest of the time, the residence is placed in the hotel's pool of rooms
