PROPERTY DETAILS

Set just steps from the shoreline, Riverhill offers the kind of island living that is becoming harder to find...private, peaceful, and framed by ocean views. From the covered porch, the home captures views to both the north and east, with the sound of waves crashing nearby creating a calm and distinctly coastal setting. It is an easy place to start the morning, unwind in the evening, or simply enjoy the quiet rhythm of the water. Inside, the residence features 2 bedrooms, 2 bathrooms, and a newly renovated kitchen. The layout is practical and comfortable, with the main living areas opening toward the view and outdoor space. The property also includes a standby generator, single-car garage, private gated entrance, and a spacious yard area overlooking the water. Riverhill is a well-positioned rental for a tenant seeking privacy, ocean views, and a relaxed coastal setting, while still having the key conveniences already in place.
