PROPERTY DETAILS

Welcome to Blue Palm. A crisp white modernist estate where European sensibility meets the wild, luminous edge of The Bahamian coast. Exuma, The Bahamas, is where the water runs every shade of blue you've only seen in paintings. Currently under construction and available for acquisition before completion, a rare opportunity to own at the ground level of something exceptional. Over 24,000 sq ft of land. 2,745 sq ft of interiors that feel more Côte d'Azur than Caribbean — three bedrooms, five bathrooms, a kitchen built for long lunches that stretch into long evenings. Outside, a pool with its own private beach inlet, Pompeian bar, jacuzzi, external gym, and a dry pier reaching toward open water. The spa pavilion, sauna, shower, and relaxation lounge carries that unmistakable European leisure energy. The kind of afternoon with no agenda. Solar-ready. City utilities. Every practicality is handled with quiet elegance. Blue Palm sleeps eight. It feels like it was built for one life

— lived very, very well. USD \$3,800,000 Fully Completed Construction
